

The King's School Rowing Club is a single use, plastic free zone. The athletes and coaches are committed to improving the environment for all river users. Athletes & coaches work to the following rules:

1. The use of single use water bottles is not permitted, all athletes use re-useable plastic water bottles, due to the nature of the sport glass bottles are not allowed.
2. Plastic bags are banned from the club.
3. The KSRCPA, coaches and athletes will endeavour to make all social events at the club "plastic free"
4. The move to a plastic free club is a better way of living for all of us, every athlete and coach, as part of the rowing club and community has committed to doing "their bit" in improving the environment.

Avoid landfill waste
