HAPPY NEW YEAR!

King's School Rowing Club KSRCPA January 2022 Newsletter

The new J14 year group had a fantastic Saturday in November with a friendly match against The Grange School. It was an opportunity for new parents to come and see the rowing club and volunteer - we certainly know who the bakers are in the rowing club with J14 mums supplying fabulous cakes on the day. Not forgetting Deepa's samosas which were a huge hit!

Thank you to Sarah Turner J14 parent for donating £10 from the sale of her miniature oar medal display blades that she makes. They make great presents!
